Dear Mr. Romero:

First, I want to thank your workers for the professional install they performed at the Mt. Pleasant Missionary Baptist Church in Belmont. We are very appreciative of the way in which they respected the place we gather to worship.

On behalf of myself and the membership, I want to personally thank you for the tremendous act of grace that you and your business extended to our faith community. Your thoughtfulness says a lot about your character as a businessman and your respect and honor for the faith community.

May God's kindness continue to walk with you and may your business continue to flourish.

In His Service,

Michael A. Glenn, Pastor
